Postgraduate Teacher Education (Continuing Professional Development) courses

Our distinctive courses will help you further your career in education

Our full and diverse range of continuing professional development programmes for teacher education is ideal if you are looking to find new ways to bring even more to your teaching and education.

Why study at the University of Birmingham?

You may want to build your understanding of support and education for children and young people living with hearing or vision impairments, or social, emotional and behavioural difficulties. Or perhaps you want to learn how to teach English to speakers of other languages? Alternatively, you may be looking for ways to improve your digital learning environment or develop your educational leadership skills. Whatever your path, our academic expertise and support will help build your knowledge and confidence to

progress your career and make a difference to learners.
