Postgraduate Film Studies courses

Develop skills directly applicable to the film and television industries

Are you looking to kick-start your career in media production or scholarly research? Film Studies is part of the Department of Film and Creative Writing – an exciting combination of two dynamic and successful disciplines that is committed to creative and critical practice in teaching and research. We are committed to bringing our students into contact with key industry professionals through activities such as work placements, visiting guest lectures, festivals and dedicated workshop sessions.
