

# Postgraduate Health Services Management courses

---

**Bridge the divide between academia and the worlds of policy and practice**

Our programmes provide theoretical frameworks and practical tools that can be applied to health systems in the UK and overseas.

## Why study at the University of Birmingham?

The Health Services Management Centre (HSMC) at the University of Birmingham is one of the UK's foremost centres for research, evaluation, teaching and professional development for health and social care organisations. HSMC has established a unique reputation as a 'critical friend' of the healthcare community and strives constantly to bridge the gap between research and practice.
