Ganish – Aston Martin

Ganish Girilal graduated with a MRes Hydrogen Fuel Cells as a DL student in India and is now a Vehicle Line Programme Manager at Aston Martin.

“

My time at the university has had a lasting impact on my career. It taught me not just the science, but also how to communicate, how to interact with people, how to inspire young people. I think that's so important.

”

Dr Deepali Lodhia, studied Physics with Astrophysics at Birmingham

Senior Education and Future Workforce Manager for Space Exploration at UK Space Agency

How to apply

Everything you need to know about the application process, including tips on how to write your personal statement.

Find your course

Search for an undergraduate or postgraduate course at the University of Birmingham.
